EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Non-elected claims 16-20 have been canceled.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The TFT array panel having the relationships between constituent parts as set forth in the claims is not taught or suggested in the prior art, including for example first and second semiconductor members of opposite conductivity, and including the first and second gate members formed on a first layer, with a connection formed on a second layer connecting the first and second gate members.

The references on the enclosed form PTO 892 show array panels having some of the features set forth in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to S. Crane, whose telephone number is (571) 272-1652.

The fax phone number for the organization where this application or proceeding is assigned is (571) 273-8300.
